Segundo periodo

Comentarios evaluado

It has been a challenging year due to the Pandemic situation, a lot of time had to be invested and several actions to take care of all details to maintain a safe environment for all employees. In the second semester the focus was on talent development. For the first time, 360 ° surveys were implemented for employees identified with growth potential. I want to thank Raul for his guidance and leadership and for always being when it is needed.

Comentarios evaluador

Extraordinary leadership and support, thanks for all the work done during this challenging times
