PERSONAL TRAINING AND DEVELOPMENT PLAN	
PERSONAL TRAINING PLAN - CURRENT ROLE	PERSONAL DEVELOPMENT PLAN - CAREER FOCUSED
What training do you need? (i.e. developing your skills, knowledge, capabilities to do your current job)	Your first priority is your current role, if you are new to role, or if your current performance needs to be improved then focus on your training plan first. Think about your career aspirations, using your manager to assist with establishing realistic goals if required. Create a performance development plan for how you are going to achieve your goals

Goals	Action	By when	Goals	Purpose	How can help?
List support you require in your current role	List steps you will take to achieve the goal? (Self-directed learning, classroom learning, coaching or on-the job learning)	Date by when you want to achieve your goa	What are the growth, stretch goals and aspirations beyond current role?	What is your motivation to achieve these aspirations?	What do you need to do and/or what support do you need in order to achieve your career aspirations? (studies, specific projects, training, etc.)
